Getting Started

Signing up for your Google Cloud Skills Boost account

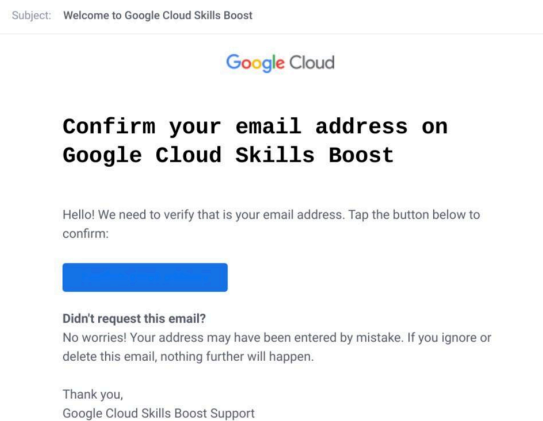

1. Before you can be invited to your Google Cloud GenAI Program, you will need a free Google Cloud Skills Boost account. If you don't have an account, [create an account](#) and fill in the required fields.

Tip: If you're invited via College/Institution, use your college/university email address.

The screenshot shows the 'Create account' page for Google Cloud Skills Boost. At the top is the Google Cloud logo. Below it is a 'Create account' heading. There is a blue button labeled 'Sign in with Google'. Below this is an 'or' separator. The form includes fields for 'First name', 'Last name', 'Email', 'Company', 'Password', and 'Password confirmation'. There is a checkbox for 'Send me occasional product updates, announcements, and offers.' and a reCAPTCHA widget with the text 'I'm not a robot'. At the bottom, a small line of text states: 'By joining you agree to Qwiklabs' [Terms of Service](#) and [Privacy Policy](#)'.

2. You will automatically be sent a verification email. Click the button in the verification email, and you'll be prompted to log in to Google Cloud Skills Boost.

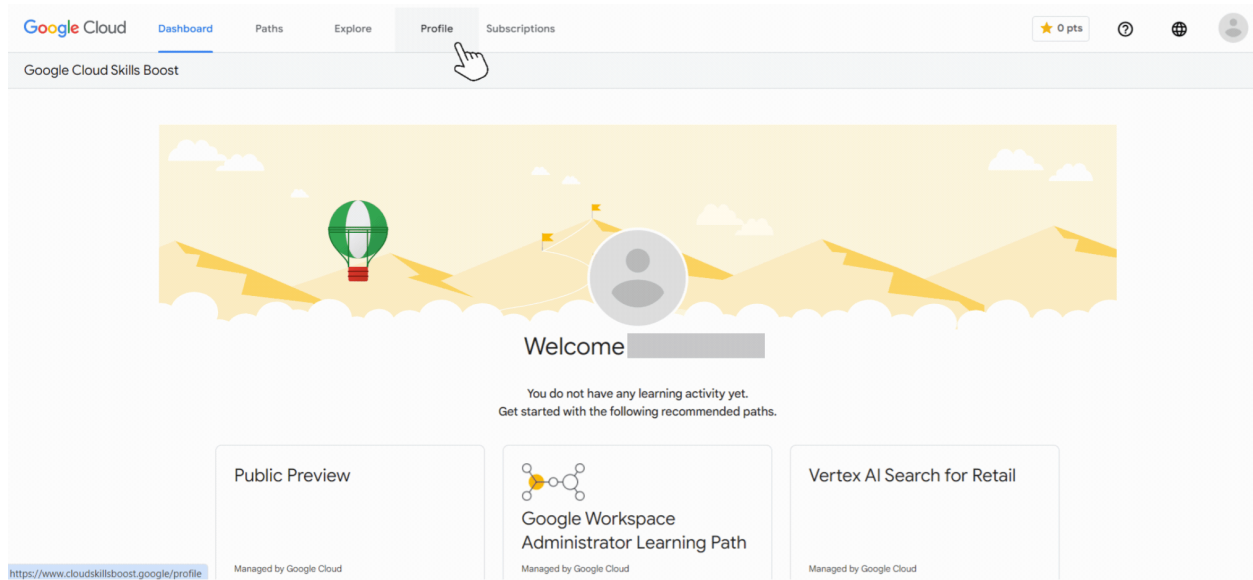

3. You are now signed in to Google Cloud Skills Boost.

Make your Google Cloud Skills Boost profile public

Next mandatory step towards your selection to the program is to [make your profile public](#).

You can do it within a few clicks by visiting the **Profile** tab on the home screen after signing in to Google Cloud Skill Boost.

nasscom(your program administrator) will be able to monitor progress and completions to make sure your journey towards mastering GenAI is smooth.

Fill Learner Enrollment Form

Please carefully read and follow all instructions before filling out the enrollment form to gain access to the course. Make sure to provide accurate details as your accounts will be verified.

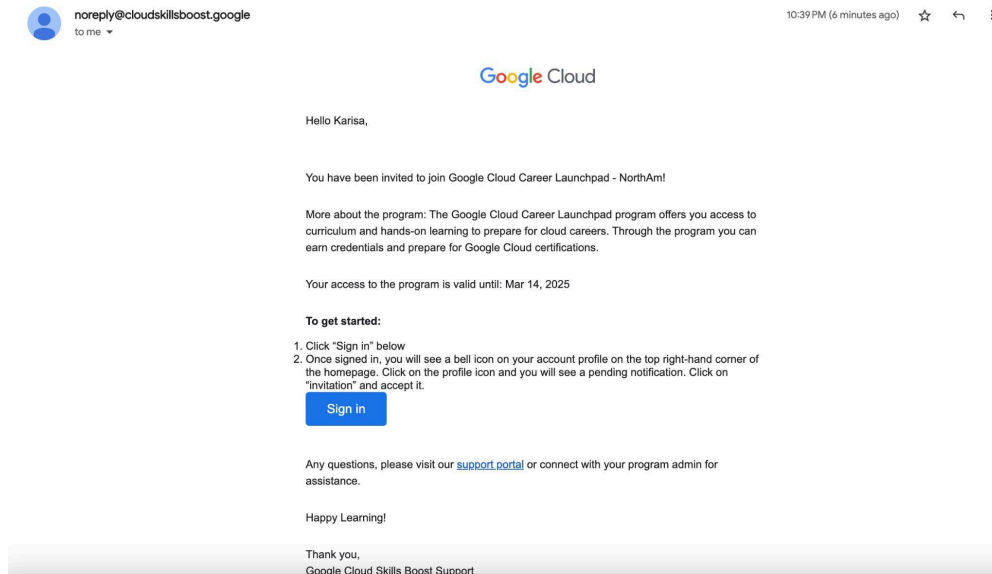

Follow these key points:

- Ensure you have a Google Cloud Skills Boost (GCSB) account with the registered email address. Steps to create a GCSB account will be provided in the form.
- Provide the correct Google Cloud Skills Boost profile URL and other required details. Sharing the correct public profile link is essential; incorrect links will make you ineligible for the course.

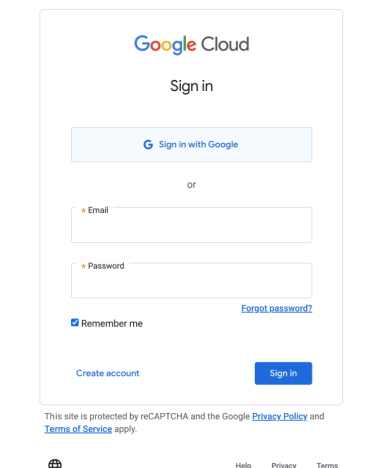

Accept invitation and log in

Post submission of Enrollment Form, a verification from Program Administrator and Google will be done. And after successful verification:

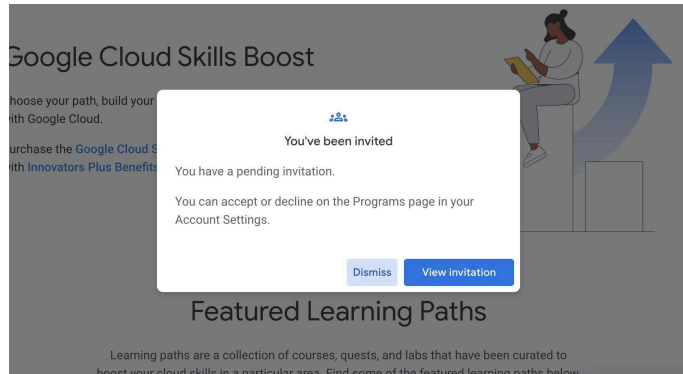

1. You will receive an email from Google Cloud Skills Boost (noreply@cloudskillsboost.com) notifying you that you have been invited to join a Google Cloud Career Launchpad cohort. The email subject will be: *“Your invitation to join Google Cloud Career Launchpad”*

2. From that email, click **“Sign In.”** (If you can’t find the email you can visit [this link](#) to get to the same place).
3. You’ll be redirected to the Google Cloud Skills Boost login page to sign in.

4. You are now signed in to **Google Cloud Skills Boost**. You will see a pop-up alerting you that you’ve been invited to a program. Click on **“View invitation”** and you will automatically be redirected to the *Account settings* page.

5. Click on **“Accept Invitation”** to be added to your group.

Programs

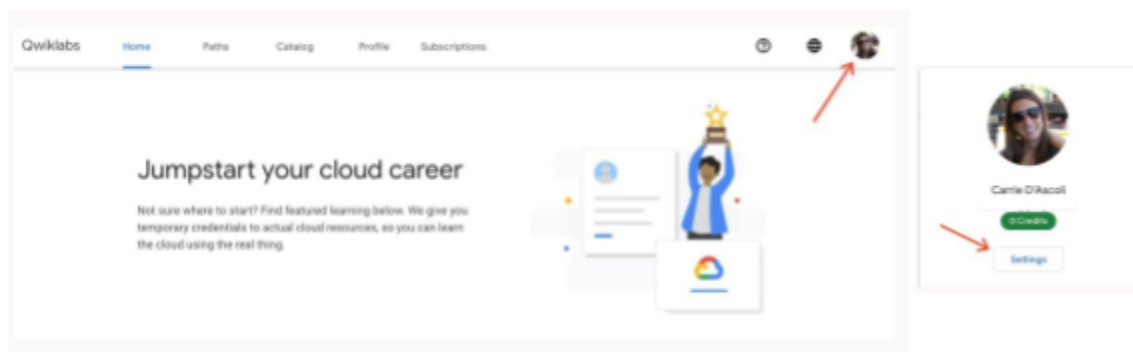

You’ve been invited to the following program. Please note, by accepting an invitation you grant permission to program administrators to view your learning activity on Google Cloud Skills Boost.

Google Cloud Career Launchpad - NorthAm
Member

Accept invitation

Decline invitation

**Tip: If you accidentally clicked “Dismiss” on the invitation pop-up, you can still access the invitation. Navigate to the top right-hand corner and click on your Account Profile icon. Click “Settings” and then click on the “Programs” tab (located on the left side of your Account Settings page.)*

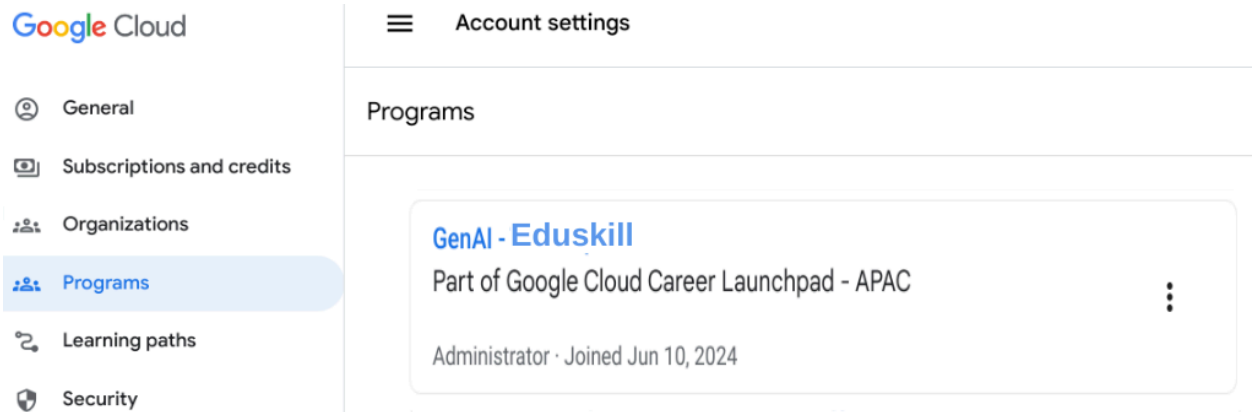

**Tip: If you accidentally clicked “Decline invitation” on the Account Settings page, please contact your Group Admin and ask them to re-send the invite.*

6. You’ll now see the **Google Cloud GenAI Program** in the Programs tab under Settings.

Note that you can opt to leave the program at any time by clicking the three dots and selecting “Leave Program.” You will no longer have access to the program or learning content. Your Program Administrator will need to re-invite you to gain access.

Access & Enroll in your Learning Path(s)

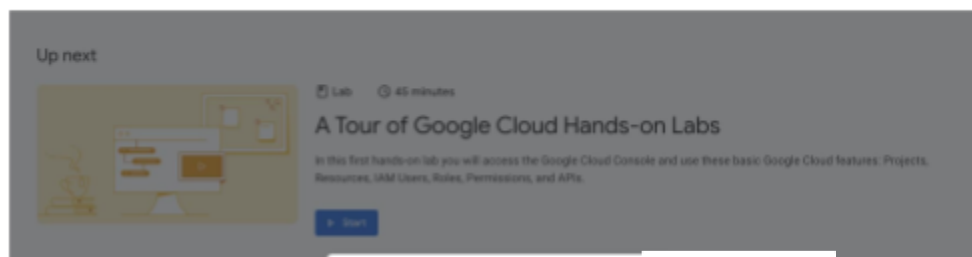

1. Once you’ve accepted the invitation, click on the “Home” button in the upper right. For all future visits to Google Cloud Skills Boost, you’ll be taken directly to your home page.

2. On your welcome home page, you’ll see a similar splash screen inviting you to learn.

Learning path	Subscribable
Beginner: Introduction to Generative AI Learning Path	✓
Advanced: Generative AI for Developers Learning Path	✓
Intermediate: Gemini for Google Cloud Learning Path	✓

3. Subscribe to all three learning paths as shown above.
4. Select the ‘Beginner: Introduction to Generative AI Learning Path’ and click on “Select this path.”
5. A confirmation pop-up message will appear congratulating you on selecting the learning path. Click “Get Started.” Or if you’ve already started, click “Beginner: Introduction to Generative AI Learning Path”.

Support

How to contact Support

Help Center

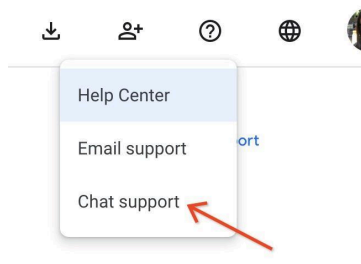

As a first step, check out the [Qwiklabs Help Center](#) for troubleshooting guidance and FAQs. If you're unable to resolve your issue independently, please contact our Support team.

Email Support

1. For **Technical Support** visit

Chat with Support at www.cloudskillsboost.google

Click the Support icon in the upper right corner and select Chat Support.

Add your details with the message and click on the Start Chat button.
